DOG GROOMING STUDIO

PUPPY INTRODUCTION PACKAGE

Your puppy should be introduced to grooming from 12-14 weeks of age after they have received their second set of vaccinations. Waiting to groom until they are older could mean a stressful experience for them. We advise early introduction to offer a positive and enjoyable experience for your dog so as they grow they will see grooming as a normal happy part of their everyday life. I offer a puppy introduction package which includes three visits of different experiences, two visits of one hour each and third visit to include a full groom.

(AVAILABLE FOR PUPPIES AGED TO 6 MONTHS)

Pricing Terms & Conditions

DOG GROOMING STUDIO

- ❖ All prices are estimate only. Final cost will be discussed at the pre-assessment consultation on arrival.
- ❖ Prices do not include de-matting. Heavily matted coats must be clipped short as de-matting causes stress and pain to the dog and is a lengthy and painful process. Under the Animal Welfare Act 2006, it is an offence to cause unnecessary suffering to an animal which includes prolonged de-matting. See our de-matting policy for more details.
- ❖ If a small amount of de-matting is possible to save parts of the coat then additional costs will be added for the extra time required. This will be discussed at the pre-assessment on arrival.
- ❖ Additional costs will apply if parasites are present, heavily matted & soiled coats, difficult or aggressive behaviour.
- ❖ Nail trimming and filing can only be done where dog permits. Some dogs can become aggressive or extremely stressed during clipping of nails, in this case we would recommend a visit to your Vet for this procedure to be done
- ❖ Prices may differ from one groom to the next depending on coat condition and length of time between grooms.
- ❖ The additional costs apply to cover the extra time and care needed to look after dogs with heavily soiled coats, knots, matting, overgrown coats, a lot of undercoat, behavioural issues, parasites present and any special needs.

Booking Terms & Conditions

Late Arrivals

❖ As I work on a one to one basis, late arrivals effect the next appointment. If you are more than 20 mins late for your appointment the appointment will be cancelled and full payment will be required.

Collection after Groom

❖ On arrival I will advise of approximate grooming time and I will message 15 mins before the groom is finished. As I work on a one to one basis I very much appreciate that dogs are collected at the advised time.

Cancellation Policy

Pooch & Paws is a small family business and last minute cancellations affect us significantly and prevent others having a booking. We adhere to a strict cancellation policy as follows:-

- ❖ 48 hours notice is required for cancellation or rescheduling of your booking.
- ❖ Cancellations or rescheduling received within 48hours of booking will be charged 100% of the grooming cost.
- ❖ Non-payment of cancellation fees will result in the client been taken off our list and any future bookings cancelled.
- ❖ By confirming a booking you agree to our terms and conditions.

No shows or last minute cancellations/ rescheduling can really affect a small business, please respect our policies.

Thank you for your understanding.
